**MUSEUM OF ART AND DESIGN PRESENTS *OUT OF THE SHADOWS III*,
A PERFORMANCE BY JUMANA EMIL ABBOUD**

Miami, Feb. 6, 2018 — Miami Dade College's (MDC) **Museum of Art and Design (MOAD)** will present *Out of the Shadows III*, a captivating interactive one-time performance by the celebrated Palestinian artist **Jumana Emil Abboud** at **7 p.m., Feb. 23** at the **Wolfson Campus Auditorium**. *Out of the Shadows III* uses music and storytelling to take its audience on an enchanted tour of fabled locations possessed by both politics and the supernatural.

In *Out of the Shadows III*, Abboud asks "What do places speak of?" This audio-visual performance includes Palestinian folk-tales and traditional oral histories. These stories that inspire the artist have always emphasized the importance of relationships with the landscape and with sources of water. Evoking her Palestinian roots and the places to which she is deeply connected—Jerusalem, Jericho, the Dead Sea, and Galilee—the artist uses music, poems, and drawings to weave together past and present, contemporary reality and the unseen world with its *jinns* and *ghoulehs*.

For this world premiere, Abboud collaborates with Issa Freij, and the artists reflect on their experiences during a four-year film project as they searched for the haunted sites of which the tales tell. Their interactive narrative explores folk customs, sacred objects, and bewitched locations to underscore themes of memory, loss, and resilience.

Born in 1971, Abboud lives and works in Jerusalem. Her work has been exhibited at the Venice, Sharjah and Istanbul biennials, the Bahrain National Museum, and the Institut du Monde Arabe in Paris. Recent solo exhibitions and performances of her work have taken place at BALTIC, Gateshead; Khalil Sakakini Cultural Centre, Ramallah; Bildmuseet, Umea; and The Khaled Shoman Foundation-Darat al Funun, Amman.

Born in 1956, Freij is a Palestinian photographer, filmmaker, and musician, also living and working in Jerusalem. During the last two decades, Freij has worked in photojournalism, documentary, and short and feature films. He has worked for CBS news, Channel 4, BBC Discovery, and ARTE France. Frej has also worked on films for The Palestinian Museum, Edward Said National Conservatory of Music, Yabous Cultural Centre, and Al-Ma'mal Foundation in Jerusalem.

Out of the Shadows III is part of *Living Together*, an exciting cross-disciplinary series of programs that will galvanize Miami audiences with thoughtful and challenging performances and exhibitions that draw from art, music, theater, politics, and poetry. Spread across the city at a wide array of venues, the series features performances, exhibitions, film and video screenings, readings, talks, and workshops that will reflect the cultural, social, and political realities of how we live now. *Living Together* seeks to find new ways to think about civic space and citizenship, to instigate actions and conversations that may help us to reimagine our cities and our lives.
